BIG SEWERAGE PROJECT GETS OK

Close to one
million dollars
worth of sewer-
age work will be
undertaken in
Altona this fin-
ancial year.

The latest contract to
be signed is for an esti-
mated \$751,005.50 project
to sewer the area be-
tween Greive Parade,
Maidstone Street, the Es-
planade and Wren Street,
incorporating houses
west of Maidstone Street
in Myrtle Grove, Wolga
Venue and the Esplanade.
It is the biggest sewer-
age project ever under-
taken in Altona.

The previously
announced Pier Street
project, costing the Board
of Works \$200,000 covers
the area between Pier
Street, Civic Parade, Rail-
way Street, including
David and McBain streets.

The Pier Street project
will service many of Al-
tona's prime utilities.

When releasing his re-
port to council, Board of
Works Commissioner, Cr.
Harry Weaver, said it
would service a health
centre, pre-school centre,
the elderly citizens rooms,
the nurses home and hospi-
tal, a dental surgery, the
Homestead, Altona Sta-
tion, the police station, the
medical clinic, the busi-
ness centre; three public
toilets and two churches.
Cr. Weaver said he ex-
pected the Pier Street pro-
ject to be finished in early
1973.

The Ransom Reserve
branch sewer, which will
serve the Greive Street
area, will be begun in two
months and finished with-
in 12 months of the start.
It will sewer 474 houses.

The sewerage projects
will also reduce the sul-
lage flowing into the sea
from the Mulga Street and
Civic Parade open drains.

Cr. Charles Carlsson
said that from a health
point of view the sewer-
ing was wonderful.

He said, in effect the
Mulga Street drain will
carry only run off from
the land.

All sewage and waste
water will flow into the
sewer.

The Pier Street drain
will also reduce the flow
of sillage in the Civic Pa-
rade drain, although not
completely.

NO MORE POLICE FOR WEST

The Chief Secretary's Depart-
ment this week indicated that it
thought that the policing of the
Western Suburbs was sufficient at
present.

In a letter to the MLC
for Melbourne West, Mr.
Alec Knight, the Chief
Secretary, Mr. Hamer said
that the number of uniform-
ed police in the western
suburbs had risen by 20
per cent since 1968.

He said, "This is a sub-
stantial increase, when
coupled with the station-
ing of the Crime Car
Squad at Ascot Vale."

The letter continued
that trouble spots could
happen anywhere, and
that additional men would
be provided from quieter
stations in emergencies.

The letter concluded,
saying that the super-
intendent was in close liai-
son with municipal
officers and the strength
would be increased,
should the need arise.

Explaining a letter

The Star this
week received a let-
ter from St. Eans-
wythe's minister,
Rev. John Lawley,
arising from the
front page article
last week.

Mr. Lawley writes:

Sir,
Perhaps I could be
given the right of reply to
some of the implications
arising from the treatment
of my letter by your paper
and arising from coun-
cillors' views on it.

The letter was not an
official church letter, it

was a letter from myself
"as a resident of the City
of Altona" (quoted from
my letter) and co-signed
by other citizens, as citi-
zens.

Certain communications
between the Ministers'
Fraternal and the Council
did indeed take place last
year, but at no time was
there any offer of per-
mission for a door-knock
for any one charity at the
time of its (the charities)
main public appeal.

It is my view that door-
knocking for any charity
apart from the time of its
main publicity thrust is
simply a waste of time. It

is also substantiated by
the experience of other
municipalities that a once
for all community chest
door-knock does simply
not attract people's com-
passion.

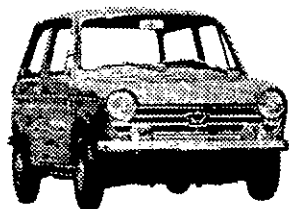

Effective appeals are
the result of door-knock-
ing in connection with a
publicity campaign specifi-
cally directed towards a
particular need.

As I understand it the
Ministers' Fraternal was
offered the job of dis-
tributing the funds of a
Community Chest door-
knock. In my opinion this
offer was for a door-
knock which would be in-
effective by comparison
with other alternatives,
and offered the Fraternal
a role of disbursement of
money which belongs to
the whole community and
should be exercised by its
elected representatives,
Council.

I repeat the main thrust
of my plea. Can we have
permission for, say, three
official door-knocks per
year in which all public
spirited people in Altona
could share by collecting
or giving.

I would suggest that
one could be a national
appeal for the aid of over-
seas needy, one could be a
national appeal for Aus-
tralian needy, and one an
appeal for a local charity.

Youngsters plead for regular dance

A group of Altona young people have complained to The Star about a shortage of entertainment for people their age.

A letter signed "All the Bored Kids of Altona" asks Altona Council to do something to provide more entertainment.

It asks for a dance to be organised on a regular basis and points out, "as there is one only every couple of months, and that is not enough."

"All the kids would appreciate it if there was a dance every month at least."

"Altona has no amusement for teenagers whatsoever," the letter adds.

FACTORY SITE

It concludes by suggesting the old Red Robin factory, at the corner of Civic Parade and Pier Street, could be converted to a dance hall.

A spokesman for the group told the Star young people would be willing to assist in preparing the factory — or any other suitable premises — into a centre for regular dances.

VANDALISM

Delinquency and vandalism in Altona had long been put down to a lack of entertainment for youngsters.

Many people claimed there were more than enough sporting bodies in the area to cater for everyone, the spokesman said.

While this was to a degree true, sporting organisations alone could not adequately cater for the needs of young people, he added.

Baptist Film

A film featuring Cliff Richards and Cliff Barrow will be shown at the Altona Baptist Church, Sargood Street, Altona next Saturday at 7 p.m.

The film is a religious travelogue into Israel, called His Land.

CLUB TRIBUTE TO LIFESAVER

Last Saturday a man who had received the highest life saving award in the world, died.

Mr. Jim Byrne, a life member of the Altona life saving club received the Royal Life Service Society Award last year, and certificates of merit from the City of Altona.

Here is a tribute from last Saturday had been a member of the club for 19 years.
"Jim, as we all like to remember him, does not

pass without leaving an enormous amount of friends in and out of the life saving movement.

"He was a very unselfish man and upon accepting a duty would carry it out to the letter. Jim was never more happy than when he was among the young people of the life saving movement whether he was judging at a carnival or doing an examination for life saving awards.

"He did a lot to help the Altona club achieve the fine club rooms on the esplanade and was instigator in so many efforts to make money for the much-needed finances to run the club.

"He will be well remembered and missed by all that have had associations with him.

Signed,
Roy Edwards,
President, Altona Life Saving Club.

Life for Keith

Mr. David Finn was sworn in as president of the Altona Apex Club for 1971-72 at the last meeting.

He succeeds Mr. George Killingback, who has just completed a successful year of office.

In his final report Mr. Killingback touched on the many service projects carried on through the year.

He spoke particularly of bringing out an Irish family of nine, and helping them establish themselves in Australia. This project took the club 353 man hours.

Also mentioned was the handing over of Apex Park to the Altona Council.

Section of the meeting was devoted to the retirement of Mr. Keith Neyland, one of Altona Apex's inaugural members; the last to retire from the club.

Mr. Neyland has given ten years' service to the community and put in countless hours at Keima Press, printing dinner notices, annual reports and thousands of leaflets for the club.

He was presented with a fishing rod and reel and a life certificate.

Directors for the coming Apex year are George Killingback, vice-president; Jim Donnar, Secretary; Billy Proffitt, treasurer; Dick Anthony, service; Phil Jago, Fellowship; Jack Carroll, membership development.

Retiring Apexian Mr. Keith Neyland is seen above receiving his life certificate from newly installed president, Mr. David Finn.

GRABBED BY A "LONG HAIR"

A Douglas Parade electrician, Mr. Edward Pollard, was assaulted and robbed of \$56 in Ferguson Street, near Cox's Gardens, last week.

Mr. Pollard told police that he had gone to a shop and had just returned across Ferguson Street when he was grabbed from behind by a long-haired youth.

At the same time another youth pulled the money from a back pocket.

One of them hit him on the forehead causing him to fall to the ground.

The youths then ran along the gardens and disappeared into a lane.

Ordinary seaman Stephen Prosser of HMAS Stewart was also assaulted near the same spot in Ferguson Street last week.

He told police that he was walking along the foot-path with a friend about 11.10 p.m. when a car drew alongside them.

A youth jumped out, hit him in the face, and jumped back into the car and drove off.

He said there had been no provocation.

BREAD WAR LOOMS

A bread war is looming in Werribee between local bread outlets and bakeries over recent price increases.

Local bread retailers claim the recent price increases were out of all proportion to the size and weight of loaves; their margins of profit were cut from 25% to an average 14%; and they claim that Werribee should be on the cheaper metropolitan price scale.

A meeting of all local bread resellers has been called for Thursday night at the home of Mr. S. Simpson in Dewan Avenue.

Mr. Stan Simpson, of High St., told the Banner yesterday that prices increased recently between two and three cents depending on the weight and type of loaf.

He said the normal "half" loaf went from 22 to 25 cents; a 1½ lb. sliced milk loaf went from 26 to 28 cents; a mini loaf went from 18 to 20 cents and a "¼" loaf went from 15 to 18 cents.

He pointed out that the 3c rise in a quarter loaf to 18 cents would hit pensioners.

A loaf twice the size cost only another 7c.

Mr. Simpson said that at the same time as prices rose the resellers' margins fell, giving the bakeries a double price rise.

Mr. J. Belle, of Vincent Crescent, said he had obtained a restoration of his former profit margin in a couple of cases and had "kicked out" bakers who did not agree.

He felt along with Mr. Simpson that Werribee should be on the metropolitan price scale.

Mr. Don "Bunny" Taylor, of Cottrell Street, said he would participate in moves to bring stability to the bread situation and get Werribee on metropolitan prices.

Mr. Eric Burgess, grocer, of Watton Street, claimed that bakeries were giving under-the-lap discounts if pushed hard enough but this was done in such a way that it could not be proved.

He wanted Werribee totally on metropolitan prices for all commodities.

Unless this were done, he said, Werribee would continue to be thought of as being highly priced, whereas it actually was not.

Mr. Simpson pointed to the ridiculous situation where a Geelong baker delivered to Werribee at country prices, then continued on to Laverton and delivered at metropolitan prices.

Australia's most modern cafe

The new Hoyts drive-in at Altona is the most modern in Australia.

But it was a challenge to the architects, who needed to use all their skill and ingenuity to turn one of their biggest problems into their biggest asset.

The drive-in is built on a volcanic basalt belt and there was hardly 10 square yards of soil without a rocky outcrop on it.

Playground equipment has been installed and the theatre will be available for afternoon birthday and Christmas parties for children.

All catering for these functions can be arranged through the theatre.

District social clubs and charities also can benefit.

Concession prices can be arranged for theatre nights and group bookings.

The new drive-in is something that residents of the western suburbs and Hoyts Theatres Ltd. can be justifiably proud of.

So the architects, Trevor J. Evans and Associates, decided to use the rock to make the drive-in pleasing to the eye.

Massive rockeries have been built around the perimeter and they soon will be covered with lush greenery.

The triangular-shaped, clinker brick restaurant sits snugly among more rockeries.

This gives the whole area a natural appearance.

Earthy colors have been used both outside and inside the restaurant.

The rockeries break the monotony of an otherwise barren countryside.

Trevor J. Evans AMIE, AFIM, has been associated

with the building of 14 drive-ins. He says this is the best one of all.

The total cost was about \$500,000 and the drive-in has a capacity of 950 cars. This makes it Hoyts' biggest drive-in in Victoria.

• Pioneers

Hoyts pioneered drive-in entertainment and they are confident that the latest addition to their family will prove once again that entertainment is their business.

The drive-in is easily accessible off Greive Parade along Doherty's Road.

Entry from Geelong Road, the Lower Yarra Freeway and Kororoit Creek Road is an easy matter.

QUALITY PLACE TO DINE OUT

The new drive-in theatre will give the western suburbs a top class restaurant.

The quality food and relaxed atmosphere will make it among the best drive-in restaurants in Victoria.

Many people are sure to go there for the food alone.

A feature will be the charcoal grill, which is believed to be the first installed at a drive-in. Delicious barbecue steaks and chicken maryland will be available.

These meals will be obtained only on order, so they will be freshly cooked. The restaurant is designed to avoid queues.

All facilities are duplicated for quicker, more efficient service.

Patrons will be able to sit down and enjoy their meal without having to rush, because the screen is fully visible when seated at the tables.

There will be a large range of take-away foods. You name it, they've got it.

Highlights will be self-serve hot popcorn and donuts.

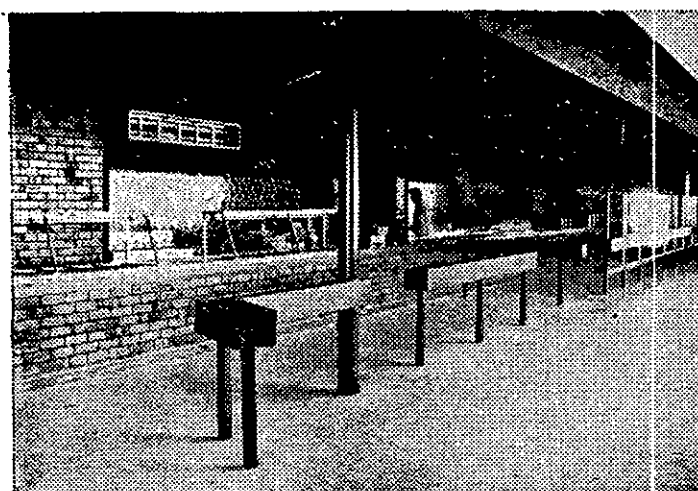

The aim of the cafe is to provide top quality food at moderate prices.

Painstaking care has been taken with cleanliness in the modern kitchen and only the best equipment and cutlery has been purchased.

The restaurant will have a staff of 12, most of whom live in the district.

A magnificent coolroom and shower facilities for the staff are other features of the restaurant.

It undoubtedly will be one of the finest restaurants in the western suburbs.

TOP: The impressive, modern servery at the western suburbs' latest restaurant. ABOVE: The old-world outside appearance of the restaurant.

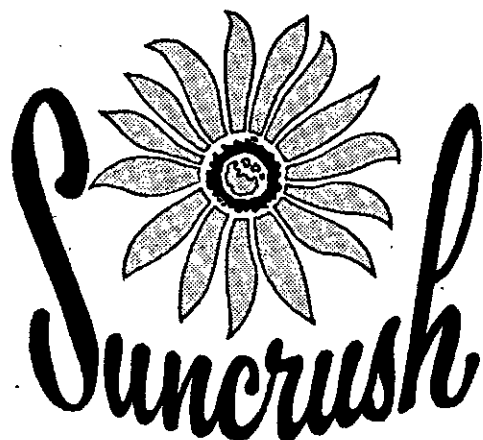

The original and best

Best projectors in the world

The projectors at the new Hoyts drive-in are equal to the best in the world.

The latest Philips projectors have been imported from Holland. They will take both 35 mm and 70 mm film.

The installation of the projectors was supervised by Mr. Ken Neck, the chief engineer for Hoyts in Victoria.

The projectionist is Mr. Ken Boudrie (pictured), of Freeman Street, Sunshine.

Smiths chips firm grows

A stream-lined plant capable of producing tens of thousands of packets of Smith's potato crisps a day has been opened in Melbourne.

The \$200,000 plant is yet another step in the growth of the company in Australia since it was started in London in 1921 by Mr. Frank Smith.

The company now has 13 factories and 16 branch depots in Britain, Australia, Holland and Ireland.

Smith's will be supplying the new drive-in.

25 YEARS IN THEATRES

Mr. Frank McKenzie (left in the picture), manager of the new Hoyts drive-in, has been in the theatre business for 25 years.

He is inspecting plans of the drive-in with the architect, Mr. Trevor Evans.

Mr. McKenzie is a jack of all trades when it comes to the drive-in theatre business.

He is a qualified projectionist and has seen all sides of the business.

Mr. McKenzie has been with Hoyts for four years and was previously manager of the Maribyrnong drive-in.

He has been associated with the opening of a number of drive-ins.

The world of theatre came naturally to Mr. McKenzie, who was making home movies when he was 14.

Motion pictures have been his hobby all his life.

He says, "You have to be devoted to this business or you wouldn't stick it. You wouldn't put up with the hours."

Mr. McKenzie has seen gigantic strides made in motion pictures in his 25 years in theatres. He says the equipment at the new drive-in is equal to any in the world.

CARE FOR SILK

The Victorian Institute of Dry Cleaning advises that you should never try to rub the stain on a silk fabric if you spill something over it.

If you rub silk or clothes that contain silk while they are damp, the surface fibres are easily broken. This is called chafing.

It means that the fibres which should lie flat are raised, causing a different light reflection and what looks like a discoloration.

ASSOCIATION of APEX CLUBS

NATIONAL SCHEMES

Apex began its first national service scheme in 1935 with the decision to provide a truck equipped to service wireless transmitting and receiving sets for the Royal Flying Doctor Service. Further assistance for several years played a significant part in the development of the RFDS.

The supply of free milk to school children was initiated by an Apex club. Other schemes were a campaign for compulsory anti-TB X-ray tests, aboriginal welfare, Guide Dogs for the Blind Training Centre establishment, formation of the Association of Civilian Widows, and "Operation Handclasp", which brought 11,000 migrants to Australia.

In recent years, \$100,000 was raised for the Apex Foundation for Research into Mental Retardation and a further \$120,000 from the 1969 Walk Around Australia, has provided the Apex Foundation for Autism.

In the 1970-71 year, the national scheme is "Aid to the Disabled".

(This is the fifth of a series sponsored by this newspaper to assist Apex in the community).

'Creditable defeat' in 'A' hockey

By 'Lincoln Green'

Altona hockey players were beaten 5-1 by the very talented Essendon side last Saturday.

In the past three or four games, it has been stated, that although being beaten, the A's have put up very creditable performances.

Saturday's game was definitely no exception. In fact, Altona played so well it is very hard to imagine that they at present are holding bottom position on the ladder.

Although under a ton of pressure, the new-look defence: Verity, Green and J. Forrester, were completely unruffled and played the game of their lives.

Ten minutes into the first half the Don's scored an unsaveable goal.

Not to be out-done, the A's fought back with brilliant forward moves which resulted in the awarding of a penalty stroke.

B. Forrester made no mistake to equalise the scores.

Within minutes Essendon were also awarded a penalty which was magnificently saved by Verity in goals.

Play was continually in Altona's defence area where Baillie, Hunter and Bartlett were giving their all.

In the later stages of this first half the Don's were awarded yet another penalty.

This one being too far from Verity's reach.

The second half was played in hailstones and torrential rain, making play difficult.

The fact that the opposition were far to experienced enabled them to go on to score another three goals in this scramble second half.

Incidentally, Essendon have the present international coach and seven Victorian senior interstate representatives.

Victoria recently returned from Brisbane after winning the Australian championships.

The A's must be commended on the way they took on this side, particularly in the first half.

Goal: B. Forrester.
BEST: Verity, J. Forrester, Smith, B. Forrester.

C GRADE

From the first bully, Altona went straight into attack and scored through the agency of Dick Luckoszek.

With Ian Bennet giving plenty of drive from the right wing, the A's looked as though they would win by a mile.

However, the defence

became scraggy and the 'Dons were able to bang home the equalizer.

If it had not been for the goalkeeping of Alan Willet, Altona would have found themselves in serious trouble in this first half.

After a roasting at half-time from coach Bill Smith, the A's again scored straight from the bully, this time through the courageous play of Peter Byrne.

There was no relaxing however, and, although they had all the play in the second half, the forwards just could not manage to find the net.

Final scores: Altona 2, Essendon 1.

Best: R. Luckoszek, I. Bennet.

D GRADE

Showing new life Altona defeated Strathmore 2-0 at Royal Park.

Attacking for most of the first half the A's were finally rewarded when Eric McCauley found an opening in the defence and hit truly.

Minutes later the good work of Duncan and McCauley gave Altona its second goal.

The second half was fairly even with play swinging from end to end. Altona were on the attack again but the final whistle sounded before any addition to the score could be made.

Goals: E. McCauley 2.

Netball round disappointing

With six teams in the semi-finals on Saturday Altona were disappointed only to win two games in the district netball championships.

Short summaries of the game show that:

A Grade defeated St. Andrews 33-27; A Reserve after leading all day were defeated by Holy Trinity by one goal.

B1 were defeated by one goal against Williams-town, after being six goals down at quarter time; B2 were defeated by Westgate by 17 goals; B Reserve lost by three goals to St. Marks.

C Grade defeated Holy Trinity by three goals in the match of the day.

A Reserve, B Grade and B Reserve will play in the finals.

LACROSSE LOSS

After a very even first half in which both sides constantly fought for possession Altona were defeated 14-2 in their match against Caulfield in the 'lacrosse' at the weekend.

There were many tries, but a lack of substitutes and system lost Altona any chance of a win.

Goal scorers were: T. Danger and G. O'Connor; best players T. Danger, N. Warboyes and G. O'Connor.

Next week Altona play Melbourne High School Old Boys at Romanis Reserve, Prahan.

Pigeon racing

Results of the Altona Pigeon Clubs' race from Korong Vale last weekend were:

R. Mizzi 1, Russel, 2, C. Cooper 3, Haigh and Con 4; in the old birds race.

C. Cooper, R. Mizzi, J. McKee, W. Haigh and son were placed in the new birds race.

In the 155 mile Wyche-proof race, J. McKee, W. Haigh, P. Mizzi, G. and H. Ward were placed.

Tennis play-offs

The last round of under-19 tennis in this round was played at Altona at the weekend.

All competitions were close and two teams are left for the play-off in the finals next week.

Section one made up of Geoff Wodd, Peter Onofrechook.

Ian Colling, Suzanne Keown, Beverly Sandilands and Yvette Robertson were undefeated for the season.

They will play Liston-Esplanade at Diggers Rest next Sunday.

Section four, number one were the other team to make the finals.

They play Footscray at Liston after defeating YMCA last week.

Members of the team are Dale Ford, Shane Johnson, Greg Whitecross, Louise Stracey, Nola Nelson and Janine Nelson.

Of the five lawn tennis teams two will play off in the finals next week. The venue has not yet been decided.

The two teams are the D special mens and the D special girls.

Team members are Wayne Thomas, Peter Sawyer, Geoff Wood, Rex Snowling, Sue Bongetti, Cheryl Veal, Lynn Jarry and Dianne Kemp.

ANOTHER BIG WIN IN WEEKEND'S SOCCER

Altona City soccer side, taking up where they left off last week, handed out a four goal thrashing to Frankston City last weekend.

The Maroons have the best goal average in Division one and the 10 goals in the past two games have boosted it no end.

Altona, playing against a gale force wind, gave early indications that they were going to be hard to beat.

Healey, Kean and Micevski kept the ball fast and on the move all the time.

Cofley was having great fun, his tearaway runs ripped holes in Frankston's rear guard.

Ian Reid was playing deep and Herman was being used as the spearhead along with Iordahus.

Captain Ian Hynes and Baylish held firm, especially in the air as the wind carried the ball high into Altona's goal.

From their clearances Altona built up dangerous attacks.

Cofley sent Herman away he raced in on goal, passed to Reid, who brought up his 20th goal for the season as he swung past the centre-half.

Herman almost made it number two as he picked up a through ball.

Micevski let go a right foot shot, only to see it miss by inches.

Frankston tried hard to get back into the game but Hans Vanderpole, with a grand saver flew to bust the ball over the bar, held them out.

At the start of the second half Altona showed how to use the wind to full advantage as they took Frankston to the cleaners.

They scored three goals in 10 minutes, sealing the game for Altona.

The first was a personal triumph to big Jim Baylish; Healey placed a free kick into goal, up soared the big fellow to head home his best goal in six years.

How the crowd cheered this goal.

They had hardly died away when the "Werribee Kid", with lightning speed had the ball in the net for goal No. three.

Iordanus shot on the run was a thing of beauty and gave the keeper no chance.

Two minutes later, it was goal number four.

The Maroons forced a Frankston player into heading through his own goals.

Playing with confidence, Altona played attractive soccer.

Straubenger who had not had the best of days, started to play steadier and it was only bad luck that prevented Altona going further ahead.

The four-nil wins almost consolidates second place in Div. 1.

For Altona, a win against Sunshine next Saturday, will make it certain.

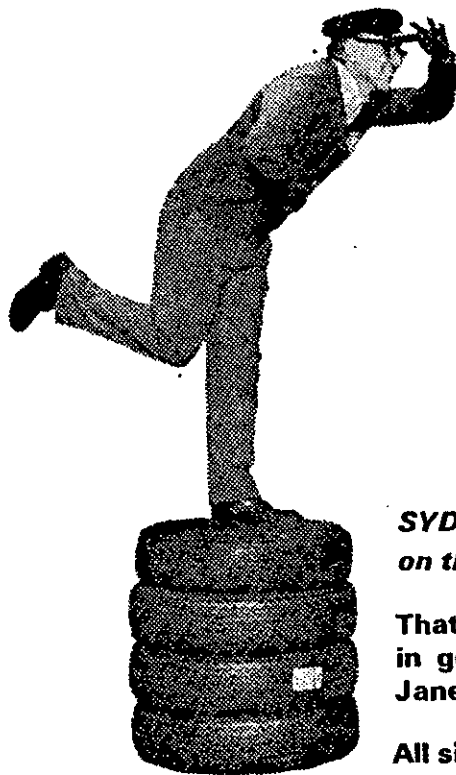

In the reserves game Altona missed many opportunities in their one all draw with Frankston Reserves.

Elthien, Kerr and Delamoyon played solid games.

The windy conditions spoiled what could have been a really good game.

Saturday's game against Sunshine City will tell just how good Altona's forwards are.

Sunshine's defence is really good and it will be hard for Altona to score.
